Handmade Soba Noodles, "Matagi"

To Yonago
To Shinjo

Harmonizing pastoral scenery and majestic views.

It's a great way to forget your normal everyday lifestyle and enjoy a relaxing, leisurely stay.

A little cycling experience. In addition, there are lots of places to stop off along the course, making it well-provided with rental cycle facilities, making it a good choice for families and people with kids.

It is possible to enjoy the magnificent scenery of the Hiruzen Three Peaks - Mt. Kami-Hiruzen, Mt. Naka-Hiruzen and Mt. Shimo-Hiruzen - each over 1000m tall - and Mt. Daisen, the tallest mountain in the prefecture. It is a great route to enjoy cycling while gazing at the majestic view of the Hiruzen Three Peaks.

The Hiruzen Kogen Cycling Road is a course that circumnavigates the Hiruzen Kogen highlands that have gentle slopes reminiscent of Hokkaido. It is a refreshing route through trees.

There are lots of places to stop off along the course, making it a great way to forget your normal everyday lifestyle and enjoy a relaxing, leisurely stay.

One of Japan’s most popular cycling courses, harmonizing pastoral scenery and majestic views.

Hiruzen Kogen Cycling Road is a course that circumnavigates the Hiruzen Kogen highlands that spread across the northern part of Okayama Prefecture.

It is possible to enjoy the magnificent scenery of the Hiruzen Three Peaks - Mt. Kami-Hiruzen, Mt. Naka-Hiruzen and Mt. Shimo-Hiruzen - each over 1000m tall - and Mt. Daisen, the tallest mountain in the prefecture. It is a great route to enjoy cycling while gazing at the majestic view of the Hiruzen Three Peaks.

The Hiruzen Kogen Cycling Road is a course that circumnavigates the Hiruzen Kogen highlands that have gentle slopes reminiscent of Hokkaido. It is a refreshing route through trees.

Cycling courses are indicated using arrows and signboards.

Several points are recommended to use mountain bikes, etc.

Check that tire pressure and brakes before departing.

At certain points, the cycling courses may converge with or cross roads with ordinary vehicle traffic. They are also used by runners and pedestrians. Please observe traffic rules and cycle safely.

Do not use a bicycle that does not suit your body.

The course mainly consists of gentle slopes but there are steep slopes in parts.

Beware of cycling at excessive speed.

Please wear a helmet and gloves for your own safety.

Beware of heavy traffic when travelling along National Route 482.

Please bring a drink and hydrate regularly.
